TEAM INFORMATION AND SCHEDULE REQUEST FORM

Turn into **MARK NOVAK** at time of team sign-up

Each team can request off 6 dates by making an **X** beside those dates. The last date to guarantee those requests is **July 31**. Those will be the only dates guaranteed off according to the new KCMETRO rules passed this last spring. For those that want more than 6 days, number those dates in numerical order up to an additional 4 days. I will **try** to honor these on home games only. I have no control over away games other than the original 6. Fill one of these out for each team completely. Incomplete forms will not be accepted and coaches will not receive their players cards or any blackout dates. Each coach can be listed as the head coach for up to 6 teams.
